

NETHY BRIDGE COMMUNITY CENTRE WI-FI

The Community Centre, Visitor Centre and most of immediate surrounds are covered by 2 Wi-Fi networks. One is for the public and the other is for use when hiring facilities. This project has been kindly funded by Foundation Scotland, the NethyBridge Community Council and The Nethy magazine.

Network 1: NethyBridge Guest

- This network allows anyone 1 hour free internet access by using the logon access code **S5WIFY6**.
- Further access can be bought via PayPal from the Guest Splash Page. Charges are £1 for 3 hours and £3 for 24 hours.

Network 2: NethyBridge Secure

- This network is complimentary when hiring the Community Centre. To access the network choose NethyBridge Secure and enter the password **Nethy101** to join. The Secure Splash Page will then load.
- Enter the supplied voucher code into the Secure Splash Page logon box.
- One voucher code will support 9 users and is valid for 10 hours.
- Please ask when booking the Community Centre if you require one or more voucher codes. Please note that voucher codes are not reusable.

Funded by Foundation Scotland.
