

ABERNETHY HIGHLAND GAMES 2010 REPORT

Despite a slightly dull start to the day, the weather proved kind and the sun shone for much of the afternoon - thankfully not too fiercely for the many enthusiastic athletes who participated in the various events. Paid admissions were 10% up on last years record attendance and around 4000 spectators enjoyed a spectacular days sport. No less than 4 records were broken, with Kyle Randalls setting a new Scottish record for Junior 44lb Weight over the Bar.

Visitors and competitors were able to make use of much improved facilities at the new Secretary's Tent - a splendid modern marquee, and the Games single biggest investment to date. This was very generously part funded by the Scottish Government and the European Community (Cairngorms Local Action Group) Leader Programme along with the Highland Council.

The delegation of Cherokees, led by Games Chieftain, Chad Smith, provided a very colourful display during the March of the Clan Grant, and later, the crowd were treated to a display of "stickball" by a number of the Cherokee youngsters. Principal Chief Smith was formally welcomed to the Highlands by Highland Council Convener, Sandy Park. Both he, and Chief Smith, commented on the many similarities between the Cherokee Nation and the Highland communities who pull together for the benefit of the community as a whole. Games President Neil Sutherland presented Chief Smith with a belt and engraved silver celtic belt buckle and asked him to formally open the Games.

The Massed Pipe Bands, following the opening ceremony, provided the most spectacular sight; no less than eight pipe bands performed to a delighted crowd, parading 4 times round the field during the afternoon. The Kintore Pipe Band, the Strathisla Pipe Band and the Caverhill Guardians Pipes & Drums from the Black Forest attended the Games for the first time and were sure to have enjoyed the event. The Pipe Band Challenge Shield, judged by Bill Blacklaw Esq, was won by the Huntly and District Pipe Band.

To the sound of the pipes from the Highland dancing and solo pipers, the morning programme of kiddies fun events proved a real crowd pleaser, and was extremely busy from early in the day. Tattie and spoon races, the wheelbarrow race, and 3 legged races all attracted many entrants and great fun was had by all.

A record number of 96 entrants in the Highland Dancing provided strong competition and the organiser and judges were pleased to note that dancers had come from as far afield as Canada and Australia, as well as from all over Scotland. The Fraser School won the Spey Vale Challenge Trophy once again as the most successful dancing school.

There was strong competition in all of the heavy event categories, with a particularly pleasing number of junior heavy competitors. There were four competitors in the local heavy events and the overall winner was Dave Gorman followed by Brian Harrold of Nethy Bridge. Junior heavies of the 15-16 age class had five competitors and the overall winner was Chris Horne. The older junior heavies with four competitors saw dramatic scores with two games records and a Scottish record being broken by the overall winner Kyle Randalls from Falkirk. Kyle broke the Scottish record for the 44lb weight over the bar and a Games record for the Scots hammer. The open heavy events had eight competing, and the overall winner was ex world champion, Bruce Aitken.

The Tug o' War was contested by 2 local teams drawn from keen amateur enthusiasts who love to get together at the Games for a pull and a pint. After 2 preliminary pulls the teams, Cairn, and Rowantree, flexed their muscles fully and provided an exciting final with Cairn winning the first pull, Rowantree the second, and the decider by Rowantree after some vocal encouragement by the crowd.

Track and Field events also saw some records broken by Sam Freck in the 100yds under 20 men and Alastair Beaton in the 200m men. Overall the number of competitors rose which kept the judges busy all day. Thanks to all the Track & Field and Heavy judges for their professionalism and hard work on the day.

On the piping boards Judges Duncan Watson and Sandy Spence commended the outstandingly high standard of piping, the competition being very close in all events. Especially welcome was the playing by Matt Pantaleone of a setting by General Thomason, a legendary compiler of pipe tunes, of 'The Big Spree'. General Thomason is buried at Grantown on Spey. A further warm hearted and generous gesture by Niall Matheson was the loaning of his own pipes to Matt Pantaleone who, after winning the Piobaireach, broke the bass drone of his own pipes. " This would have been not uncommon in the past but is more of a rarity in these sharper,

more competitive times. All credit to Niall for upholding the best of traditions." commented Duncan Watson.

Judging the Junior events Jim Hamilton praised the exceptionally high level of entries and standard of playing. A number of young pipers have become regular competitors at this event and year by year are pushing the standards of playing higher. " It was a close call on several of the scores; all credit to the competitors and their teachers", said Mr Hamilton

Despite slow wet conditions underfoot we saw a record field of 101 runners enter the RSPB Abernethy Highland Games 10 mile race. First home, in 60.09 was F. Barbon of Keith District. Scott Dixon was first local home and third overall with an impressive time of 62.27. Gill Irvine was first local lady, and Moray Road Runners won the team competition in 4-37-03.
